Date: Friday, December 6th, 2019
Time: 09.30 –14.00
Venue: Quality Hotel View Malmö
Hyllie Stationstorg 29
Walking distance/2 minutes from Hyllie Train
Station (see attached map)
Cost: Free of charge
Registration: For registration mail anki.rosberg@med.lu.se
before October 15th.

UROCAN-LU

Programme

- 09.30-09.35 Professor Anders Bjartell (Malmö) *"Introduction: UroCan-LU and molecular diagnostics in urooncology"*
- 09.35-09.55 Markus Heidenblad PhD (Lund) *"Clinical Genomics at Lund Center for Molecular Diagnostics (CMD) Region Skåne and Center for Translational Genomics (CTG), Lund University – Possibilities and mission"*
- 09.55-10.15 Pontus Eriksson PhD (Lund) *"UROSCANSEQ – molecular classification of bladder cancer down to single-cell level"*
- 10.15-10.25 Professor Fredrik Liedberg (Lund/Malmö) *"Translation of molecular classification of bladder cancer into the clinic"*
Chair: Fredrik Liedberg
- 10.35-10.55 Coffee break
- 10.55-11.25 Anna Sundlöv MD, PhD (Lund) *"Targeted systemic radiotherapy – potential and pitfalls in prostate cancer"*
- 11.25-11.55 Associate Professor Elin Trägårdh (Malmö) *"Artificial Intelligence in prostate cancer bioimaging"*
Chair: Anders Bjartell
- 12.00-13.00 Lunch
- 13.00 -13.30 Professor Håkan Axelson (Lund) *"Liquid biopsies in renal cell carcinoma"*
- 13.30-14.00 Associate Professor Lao Saal (Lund) *"Circulating tumor DNA for cancer detection and monitoring"*
Chair: Håkan Axelsson
